How many children did Joseph and Jane have? Where did they live before they moved to Scotswood? (clue: look at where the children were born.)

Which son went to school? Find a neighbour who was the same age as him.

How many of his neighbours had the same job as Joseph?

Column 5 shows how many rooms the Ryans and their neighbours were living in. What does this tell you about their life?

One woman had a paid job. What did she do? Why do you think there are no jobs recorded for the other women on the street?
