

## Birds like the graveyard because of the trees

Can you spot a bird and draw it?

Close your eyes and count to 30 in your head.

Can you hear a bird singing?

What does it sound like?

## Other animals live in or visit the graveyard

but they can be hard to spot because they are shy or they only come out at night

Can you draw another animal that you might see here

## St James' Graveyard

# Wildlife Spotter

This graveyard is full of living things. Keep your eyes and ears open.

What can you find?

Open up this leaflet and start spotting

**The graveyard is full of different kinds of trees**

Find a tree you like and draw it

You can draw the whole tree or just a leaf

**There are lots of smaller plants too**

Can you find an interesting plant to draw?

**The graveyard is full of insects and other bugs**

Can you find a flying insect and draw it?

Can you find a creepy-crawly?
